Le comité d'organisation du 25^e Jamboree Scout Mondial – 2023 SaeManGeum

To Heads of Contingent,

Greetings from SeaManGeum, Korea!

We are excited to welcome each and every one of you to the 25th World Scout Jamboree, preparations are going on with full speed and treat this as a gentle reminder for following four major issues. **You treat this as top priority and respond in time.** This will help us to organize the jamboree successfully.

Item 1: Contingent Registration Form

We need your estimate concerning the number of participants in your Contingent to help make better preparations. This is merely an estimate and not binding in any way. Please do so via email to 25wsj@scout.or.kr before 23:59hrs GMT+9 (Korean Standard Time) December 31, 2021. This reflects the consensus, as agreed during the 1st Heads of Contingent meeting.

Item 2: Operation K

Each contingent should inform the Organizing Committee of the decision of joining Operation-K Solidarity Initiative through the updated Contingent Registration Form. This deadline is the same as the registration deadline as in Item 1 above. As such, please confirm the number of youths (Maximum 9) and 1 leader and they must be included in your Contingent Registration Form.

Failure to submit the Operation-K numbers in Contingent Registration Form as on 31 December 2021 will automatically withdraw the Operation-K offer to your NSO. **It will be withdrawn without any further notice and this will be final decision.**

Item 3: Payment

There are two payments to be done as per stipulated dates, we furnish standard clarifications about deposit and balance payments of 25th WSJ 2023.

Deposits of 30% - Invoice for estimated (anticipated) numbers will be issued as mandatory for accounting purposes and budgeting. Same can be re issued as per the confirmed participants before or during Feb 2022.

Balance payment of 70 % is due on February 28, 2023 and will be paid for actual confirmed participants only, not for the anticipated numbers within our preview of budget and others.

If less number - the amount of deposits will be adjusted for confirmed participants and **remaining deposits won't be refunded.**

If exceeded - you will pay deposits for excess members with 10% surcharge and balance amount of 70% will be paid as per norms.

Please take note that due to financial compliance and accounting policies, we are complying with a No Refund policy.

Item 4: Food House

About the Jamboree's Food House operations, the policy and guidelines will be circulated soon. Food House Registration will start January 1, 2022.

Please nominate one (1) representative for Food House Facilitation Committee by 31 December 2021 and we will start to discuss about Food House operations from January 2022 onwards. We look forward to the variety of awesome snacks and delicious food from the popular Jamboree Food House practices. We are here to help and encourage every NSO to consider putting in their application to ensure a successful Jamboree's Food House.

We are here to help you in any ways as you want, so that your planning for the 25th World Scout Jamboree will be flawless and smooth. With less than 600 days to go, we are truly excited to share these gentle reminders with you.

Best regards,
